EXPERIENCE

Monolith
2025 – Present
Founder & CEO · Full-time

- Built and launched **autonomous AI agents** across WhatsApp, web, and social channels delivering 24/7 intelligent customer service with sub-50ms response times.
- Pioneered **GEO & AEO** services, structuring corporate knowledge for AI search engines like Perplexity, ChatGPT, and Gemini.

Glocal Researchub
Jan 2026 – Apr 2026
Lead Full-Stack Architect · Contract

- Delivered the complete **enterprise web platform** for a Saudi Arabia consulting firm, with bilingual architecture (EN/AR), custom video integrations, and 60fps interactions.
- Achieved **sub-second load times** and 98+ Core Web Vitals across global networks.

University ERP Suite
2026
Core Systems Architect

- Architected a **cloud-native university management platform** handling student lifecycle, examination engines, attendance, and multi-tenant faculty administration.

EDUCATION

B.Tech, AI & Data Science
Dhanalakshmi Srinivasan University
2024 – 2028 · 2nd Year

OPEN SOURCE

jPit
Browser extension (MV3) that reverse-engineers hostile DOM event listeners to unblock copy, paste, and right-click.

Windroid
Cross-platform sync bridge connecting Windows and Android via local sockets.
